

## Y5 Home learning – Monday 18<sup>th</sup> May to Friday 5<sup>th</sup> June

Hello again! We hope you are well and surviving lockdown. At school we think you're doing SO well and it's lovely to see so many of you getting involved in the Y5 blog and sending us photos of what you are getting up to and the work you have done.

This is the third Home Learning pack we are sending out. As last time, the next three weeks will involve activities for you to do online, offline, or a mixture of the two – depending on how you prefer to work. You can of course send us any question about the home learning via the [homework@stmll.bolton.sch.uk](mailto:homework@stmll.bolton.sch.uk) email address.

**Half term:** We are including enough work in the pack to last for three weeks, but as our half term break is from Monday 25<sup>th</sup> May to Friday 5<sup>th</sup> June, we won't be setting any extra online tasks for that first week only. There will be enough work set to ensure children can continue home learning over that week if you wish, and online tasks will start up again on week beginning Monday 1<sup>st</sup> June for those who want to continue learning online. Obviously things may change if government guidelines change, but be assured as soon as we know anything, we'll let you know.

### **ENGLISH:**

- Try to spend 10-15 minutes each day reading for pleasure and continue to read with an adult.
- Have a go at writing a short amount each day. A letter to a friend you've not seen for a while would be a good idea – but you can write anything you like. I'd love to see some of your writing on the blog.
- Practise a set of 10 spellings from the list I gave you.

### **MATHS:**

- Practise your times tables on Times Table Rockstars.
- Work on time. Can you keep a diary of certain activities you do during the day – eating, sleeping, watching TV etc – and total the time to show how much you spend on each activity in hours and minutes.

### **ONLINE:**

- There will be 3 LbQ tasks to complete on Monday, Wednesday and Friday.
- On Tuesday and Thursday, please complete one of these online tasks. (Don't worry about the date on them)

- There will be three Mathletics tasks to cover over a week.
- There will be four Purple Mash activities to complete over a week. Have a look at your 2dos.

### **CLASS BLOG:**

It's been lovely seeing so many of you on the Y5 blog. It can be found on Purple Mash under the Sharing -> Shared blogs tab. It's a great way to catch up with your friends and show everyone what you've been up to.

**'Look To The Rainbow' – music project:**

This is a project we are getting involved with where we want you to learn the song 'Look to the rainbow' (<https://worshipforeveryone.com/looking-to-the-rainbow>) and then film yourself singing it and send it to Mr Harding using the homework email address. Check it out – it's a very catchy song!

**Sports Day**

We are planning on holding our annual Sports Day on Thursday 21<sup>st</sup> May this year and you can join in at home! We are joining in with Bolton Wanderers '**Joy of Moving**' project. Find details on our website.

**TOPIC:**

For the next few weeks our topic will be France and the French language. I have made a sheet with lots of different activities for you to do to help you learn about. I have also included a knowledge organiser, which has key information and vocabulary linked to the topic. All these can be found in your home learning pack.

There is no expectation to do ALL these activities. I recommend you choose 2 or 3 to complete each week. It would be lovely if you could post some photos or your completed work on the blog for everyone to see.

Hopefully we will be able to see each other soon, but until then keep safe, be kind, follow the rules and wash your hands! You're doing so well. We are all so proud of you. Keep going and make someone happy today.

Take care,

Mr Robertson
